

IMPORTANT:

Please call the Credit Union to unlock your Home Banking prior to set up. Once the account has been unlocked, you only have 24 hours before the account relocks.

How to Use Home Banking

www.1166fcu.org

Home Banking

Member Account Number

(_____)

Temporary Password

(the last four digits of the Social Security #)

Create a New Username

Create and Answer three Security Questions

Create a New Password

You can select to have electronic statements

You can sign up for Bill Payer

We can also set up multiple institution accounts through A2A, and you can call us to input the banking information

If you wish to have accounts “linked” your social security number will have to be on the accounts you wish to view and perform transfers.

Now you are ready download the app and input your credentials.

If you choose to have a quicker app sign in:

Go to the person symbol

Select Authentication options

Chose the option that suits you best and authenticate

If further assistance is required, please contact the credit union at
